Dear Parents and Caregivers

**Black and Yellow Mufti Day**  
**Wednesday 19 June 2019**

The Amnesty International Club at IGS is holding its annual school-wide black and yellow themed mufti day during Refugee Week 2019. We aim to raise awareness of the unjust treatment of refugees and asylum seekers in offshore detention centres.

Students are asked to donate a gold coin at the front gate before school to go towards Amnesty International and their work in campaigning to change government policy.

Members of the Amnesty Club will be teaching their peers about these issues in High School House meetings on the same day.

We look forward to making a difference on this issue, and thank everyone in advance for their participation and support.

Yours sincerely

Gareth Douse
