International Grammar School
Strategic Plan 2012 to 2016

These Goals are underpinned by the International Grammar School Values:

Diversity, Personal Achievement,
Authenticity, Connectedness, Vibrancy

---

**The Student Environment**

- To provide a safe, secure and inclusive environment for all students.
- To be a lighthouse school for student well-being.
- To nurture and celebrate student achievement.

---

**Teaching and Learning**

- To provide a dynamic and rigorous curriculum and pedagogy which embrace intercultural understanding and promote personal achievement.
- To nurture social awareness and ethical behaviours and values in our students.
- To provide a contemporary and vibrant learning environment.

---

**Community Relations**

- To connect effectively with past, present and future members of our School community.
- To create partnerships with, and promote the School within, the wider community.

---

**Leadership and Management**

- To attract, retain and develop quality staff.
- To keep the School at the forefront of educational practice.
- To develop, implement and evaluate coherent policies and processes.

---

**Corporate Development and Services**

- To identify, develop and execute non-core revenue opportunities.
- To increase philanthropic giving to the School and its associated bodies/organisations.
- To secure the long-term accommodation requirements for the School.
